

16<sup>th</sup>  
IASR INTERNATIONAL  
CONFERENCE-2025

# FORENSIC SCIENCE

10<sup>th</sup>-14<sup>th</sup>  
Sept. 2025

In Collaboration with:

For more information: [www.events.sifs.in](http://www.events.sifs.in) | Venue: Bali Indonesia

## Overview

The International Association of Scientists and Researchers (IASR) has emerged as a pioneering organization dedicated to disseminating recent research and studies to avid learners and academics, particularly within the field of forensic science. This journey has been significantly bolstered by the steadfast support of the Sherlock Institute of Forensic Science (SIFS India). The field of forensic science has witnessed notable growth in recent decades, owing to the concerted efforts of talented individuals committed to advancing the discipline. SIFS India's pivotal role in supporting IASR has been instrumental in solidifying the prominence of forensic science in India and globally. Through initiatives such as the IASR International Conferences, which serve as platforms for researchers, academicians, and professionals to exchange ideas and insights, the organization aims to foster continuous learning and facilitate the dissemination of cutting-edge research in various domains of forensics. These include but are not limited to fingerprint analysis, questioned document examination, crime scene investigation, forensic odontology, forensic medicine and toxicology, forensic biology and serology, forensic psychology, cyber and digital forensics, as well as forensic physics and anthropology. By providing such avenues for collaboration and knowledge sharing, IASR and SIFS India are collectively contributing to the advancement and enrichment of forensic science on a global scale, thereby aiding in the effective application of forensic techniques in solving crimes and administering justice.

## SIFS India

The Sherlock Institute of Forensic Science (SIFS) India was set up in 2006 with the mission to make forensic education available to all and with a vision to make India a crime-free place to live by creating a skilled workforce of forensic experts to assist law enforcement agencies and the judiciary in bringing justice to the table within time.

SIFS India offers comprehensive industry-specific and job-ready online and offline courses, trainings, internships, workshops, and research-based projects in the diverse forensic science domains, like cyber law, cyber and digital forensics, fingerprint verification, questioned document examination, and handwriting analysis, to name a few.

It has been a frontrunner in the field of forensic science. It has been conducting various events to maximize the reach of Knowledge of forensic science across the globe. It organizes various Conferences, Seminars and Workshops with the goal of sharing recent advancements and research happening around the globe with students and professionals to boost their knowledge and morale. Forensic science has been growing significantly over the past few decades; the essential demand for progress has been met with bright young minds putting their extensive efforts into advancements in the field. SIFS India, along with other prominent organizations, have been substantial support pillars in establishing the mark of forensics in India and worldwide. The motive of constant learning and sharing recent studies and advancements has been met constantly with their continuous efforts.

## AFOHR

AFOHR is the first association promoting best practice in human identification and age estimation through humanitarian forensic odontology for the purpose of preventing human rights violations. The need for promoting human rights in the recovery and identification of missing and unidentified persons was first presented by forensic odontologist Emilio Nuzzolese (Italy) at the 9th International Dental Ethics and Law Society (IDEALS) Congress 2012 Leuven (Belgium). This idea gave birth to the group FO4HR-dentifyme on the 5th May 2015 during the Interpol DVI meeting in Lyon (France), which then evolved into association with the new acronym AFOHR (Association Forensic Odontology for Human Rights). The association is a roster of volunteer experts in forensic odontology and other areas of forensics from over 30 countries.

## Objectives

The primary objective of this conference is to bring together professionals, experts, and scholars from various disciplines within the field of forensic science to facilitate the exchange of knowledge, ideas, and advancements. It serves as a platform for participants to discuss and explore the latest developments in forensic science, including cutting-edge technologies, innovative research, and best practices in the field. Additionally, it aims to foster collaboration among individuals working in different areas of forensic science, such as DNA Analysis, Crime Scene Investigation, Cyber Forensics, Forensic Pathology and Fingerprint & Document Examination. By sharing experiences and insights, attendees can enhance their skills and expertise, ultimately contributing to the improvement of forensic science as a whole. Moreover, it provides an opportunity to address challenges and emerging trends in forensic science, ultimately aiming to enhance the accuracy and reliability of forensic investigations. Overall, the objective is to advance the science, promote professionalism, and drive positive change in the field of forensics.

## Who can join

This Conference is typically open to a wide range of individuals who have an interest in the field of forensic science and related areas. It aims to provide a platform for professionals, researchers, educators, students, and anyone interested in forensic science to come together, share knowledge, discuss the latest research and developments, and network with others in the field.

- Forensic Scientists
- Law Enforcement Personnel
- Researchers and Academicians
- Legal Professionals
- Forensic Analysts and Technicians
- Forensic Medicine Practitioners
- Crime Scene Investigators
- Forensic Psychologists and Behavioral Analysts

# Conference Themes

## Crime Scene Investigation and Reconstruction

- Crime scene processing and evidence collection
- Bloodstain pattern analysis
- Ballistics and Firearms Examination
- Forensic Anthropology and Human Identification

## Forensic Chemistry and Toxicology

- Analytical techniques in forensic chemistry
- Drug analysis and toxicology
- Forensic toxicology in post-mortem investigation
- Emerging trends in forensic drug analysis

## Forensic Biology and DNA Analysis

- DNA profiling and forensic genetics
- Advances in DNA sequencing technology
- Forensic entomology and botany
- Wildlife forensics and conservation genetics

## Digital Forensics and Cybercrime

- Computer and mobile device forensics
- Cybercrime investigation and cybersecurity
- Digital evidence acquisition and analysis
- Network forensics and incident response

## Forensic Pathology and Death Investigation

- Autopsy techniques and post-mortem examination
- Forensic odontology and bite mark analysis
- Trauma analysis and cause of death determination
- Child abuse and elder abuse investigations

YOUR ABSTRACT

# Conference Themes

## Forensic Psychology and Behavioral Analysis

- Criminal profiling and offender behavior analysis
- Eyewitness testimony and memory
- Psychophysiological detection of deception (polygraph)
- Mental health assessments in forensic contexts

## Forensic Odontology and Anthropology

- Human Teeth and skeletal analysis and identification
- Mass disaster victim identification
- Forensic taphonomy and decomposition studies
- Odontological approaches in forensic investigations

## Forensic Engineering and Accident Investigation

- Failure analysis and accident reconstruction
- Fire investigation and arson analysis
- Vehicle accident reconstruction
- Structural collapse investigation

## Forensic Linguistics and Document Examination

- Linguistic analysis in threat assessment and crime investigation
- Handwriting analysis and document authentication
- Digital document forensics and forgery detection
- Speaker recognition and voice analysis

## Ethical and Legal Issues in Forensics

- Expert witness testimony and courtroom procedures
- Ethics in forensic science practice
- Legal challenges in forensic evidence admissibility
- Wrongful convictions and exoneration cases

Discussion

# Guidelines

## Online Paper/Poster Presentation

## Abstract Submission Guidelines

The Paper should be **UNIQUE** and **UNPUBLISHED**, offering new perceptions, a new approach, or new knowledge to the body of literature.

- The Abstract should be of a maximum of 300 words followed by a minimum of five keywords and the final manuscript (Note: should not include graphs/tables/images).
- The following information, in the given format, should be included in the Abstract: Title of the Abstract, Name of the Author and co-authors, Official Designation/Institution Details, Address and Email, Type of Presentation (Paper/Poster, Student/Professional) and Payment Proof.
- The submitted abstract with relevant information will be regarded as the final submission considering the author's name, co-authors, and their affiliation. Any errors in spelling, grammar or scientific fact will be reproduced as submitted by the author.
- Participants need to submit their abstract at <https://forms.gle/sBWUDrPZFid3vf49A>
- In the case of multiple authors, only one author would be allowed to present the Paper. All the coauthors need to register themselves separately to receive the participation certificate as coauthors.
- Make sure to use Updated Version of Microsoft Office: PowerPoint for Online Presentations.

# Guidelines

## Online Paper/Poster Presentation

### Presentation of Paper Online

- The presenter should present the paper in Microsoft Office: 10 PowerPoint slides (16:9 ratio).
- The research work that needs to be presented should have relevant information such as an introduction, methodology, result, and conclusion with references.
- The presentation should be professional and visually appealing, with a balance of text and graphics (charts, pictures, diagrams).
- The presentation content should reflect the content of your abstract, and the use of the headings like introduction, objectives, methods or approach, results or practice implications, and conclusions are allowed as a basic template.

### Presentation of Poster Online

- The presenter should present poster in Microsoft Office: 1 PowerPoint slide (16:9 ratio).
- The research work that needs to be presented should have relevant information such as introduction, methodology, result and conclusion with references.
- The presentation should be professional and visually appealing, with a balance of text and graphics (charts, pictures, diagrams).
- The presentation content should reflect the content of your abstract, and the use of the headings like introduction, objectives, methods or approach, results or practice implications, and conclusions is allowed as a basic template.

## Registration Guidelines

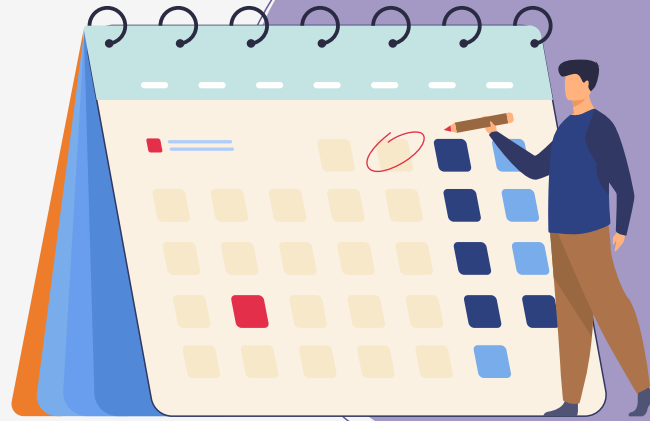

- The participant can register from the website [www.sifs.in/events](http://www.sifs.in/events) to present their work at the conference.
- The confirmation mail will be sent to the registered mail ID. For any queries and assistance, delegates can contact at +91-9818877002 or [iasrconference2025@gmail.com](mailto:iasrconference2025@gmail.com).
- In case of payment of the registration fee via Account Transfer or UPI (not from website), delegates need to email the proof of payment to [iasrconference2025@gmail.com](mailto:iasrconference2025@gmail.com) for confirmation and to register themselves for the conference.
- Participants can submit their abstracts to <https://forms.gle/sBWUDrPZFid3vf49A> (as per the submission guidelines) along with proof of payment, applicable for both authors and co-authors.
- Any modification in the shared abstracts for presentations will not be accepted after the final submission date (if provided with genuine grounds).
- International Participants can also PayPal at [forensicdocument@gmail.com](mailto:forensicdocument@gmail.com)

## Bank Details

Acc. Name - International Association of Scientists and Researchers  
Account No. - **016005007013**  
Type - Current  
Bank Name - ICICI Bank Ltd.  
Branch - ICICI Bank, H-4, Model Town-III, New Delhi-110009  
IFSC Code - **ICIC0000160**  
Swift Code - **ICICINBBCTS**

# Registration Information

## Online Paper/Poster Presentation Fee

Student

1500 INR

Professional

2000 INR

## What Presenter will receive

1. Paper/Poster Presentation Certificate under Registered Category.
2. Winner Certificate under Registered Category.

\*Registering for the online paper/poster presentation will grant access only to your presentation room, and NO ACCESS WILL BE GIVEN FOR ANY OF THE KEYNOTE TALKS. If you wish to listen to the keynote talks, you need to attend the conference in offline mode, which will be taking place at Bali, Indonesia.
